SO YOU WANT TO KNOW WHERE THE LOGO CAME FROM?

THE SALOON OPENED IN 1966 IN A DIMLY LIT BASEMENT ON WEST DIVERSEY PKWY.

Two years later the logo was developed via our way of life, picture the sun rising over the horizon of Lake Michigan about 5a.m. on any given Sunday summer morning and you're walking out of a basement. The face on the logo could be mine, yours or anybody else who might have spent the prior evening imbibing in our underground environment. We have all made it home to look in the mirror and saw the blood shot eyes at half mast as we placed a cool ice pack on top of our cranial area.

"OUR ORIGINAL PARSLEY CRUST PEEZA"

A true thin crust Peeza built in the traditional way it used to be made but we added a touch of parsley to the crust that gives it a unique flavor that's matched by no one.

"OUR CHICAGO TANG PEEZA"

Made the same way as our parsley crust Peeza but it has a Tang Sauce base topped with diced grilled chicken. If you love our wings, you'll love this Chicago Original Peeza!
